Sir:

This is an information disclosure statement submitted in compliance with the timing requirements of 37 C.F.R. §1.97(b)(3), i.e., prior to a first Office Action on the merits.

Attached are copies of nine non-U.S. patent publications. Two of the publications are discussed on page 2 of the specification. One of the publications is in English. The relevance of six of the publications may be taken from their drawings. All of the publications are listed on an attached Form PTO-1449. Also listed for consideration are twenty U.S. publications.

Since this Information Disclosure Statement is being filed before the first Office Action, no certification or fee is required, and the requirements of 37 C.F.R. §§1.97 and 1.98 are deemed to be fully met as to all documents submitted. Consideration of the submitted documents is respectfully requested.

Should any fee be required, please charge the same to our Deposit Account No. 18-0002 and advise us accordingly.

Respectfully submitted,
